

TADA! COVID POLICY

Please find outlined our COVID-19 policies and procedures. We thank you in advance for your compliance as we continue to navigate the pandemic with the **safety of our students, ensemble members, families, staff, and visitors at the forefront**. If you are unable to comply with the following policies and procedures at this time, we hope that you will return to TADA! at a later date. We will continue to monitor, follow, and comply with the NYC.GOV regulations and update our policy as we navigate the pandemic.

- **VACCINATION:**

- As a performing arts center, TADA! is required to comply with the NYC vaccine mandate regulations outlined in the "[Key to NYC Pass](#)". Starting on 12/14, in accordance with "Key to NYC Pass", ages 5-11 are required to have one vaccination. TADA! will require full vaccinations (both shots) from all TADA! staff and visitors who are 5 years of age or older by 1/15.
 - Acceptable proof of vaccination is one of the following:
 - [CDC Vaccination Card](#). A photo or photocopy of this card is also acceptable.
 - [NYC Vaccination Record](#) or other official immunization record from within or outside the U.S., including from your healthcare provider. A photo or photocopy of this card is also acceptable. If you are unable to get this record, **call 311**.
 - **NYC COVID Safe App: [Android](#) | [iOS](#)**. You can upload to this app a photo of your CDC vaccination card or other official record, along with your photo ID.
 - [Excelsior Pass](#) (or Excelsior Pass Plus). To use this app, you will need the phone number or email address associated with your NYC vaccination record. If you are unable to use this app, try one of the other options listed above.

- **MASKS:**

- **Masks are required** at all times, in all parts of the TADA! building for everyone 2 years and older. This includes the lobby, hallways, stairwell, bathrooms, rehearsal rooms, theater, and offices.

- **SOCIAL DISTANCING:**

- At TADA! students and RYET members will observe 3 feet of physical distance from others during classes, camps, and workshops to reduce transmission risk.
- At this time, our lobby is closed for families, visitors, and renters. The lobby will be used only for drop-off and pick-up, and use of vending machines, kitchen appliances, and water cooler. Please arrive at your designated time and no earlier.

- **DAILY HEALTH SCREENING:**

- All students, ensemble members, families, and visitors will be required to complete a daily health screening using a QR code each time they enter the TADA! Building.
- Please do not come to TADA! if you have a fever or are ill.
- If you test positive for COVID-19 you should stay isolated until all of the following are true:
 - It has been at least 10 days since you started having symptoms or the date you were tested (if you did not have symptoms)
 - You have not had a fever for at least 24 hours without taking fever and pain-reducing medicines, such as Advil, Motrin, Tylenol or aspirin
 - Your overall illness has improved

- **CLEANING:**

- Our 2nd and 3rd floor will be deep cleaned once a week, and high touch areas will be disinfected daily and in-between uses. Our rehearsal room, lobby, bathrooms, and theater will be sprayed down between events and kept clear of people for 15 minutes.
- For the safety and comfort of all, TADA! will continue to space our rentals, classes, camps, workshops, and rehearsals to allow for ventilation and cleaning between activities. Therefore we will not allow people to wait in the lobby area if they arrive early to their event.
- TADA! has a high-capacity air filter in every rehearsal room, in addition to functional windows and filtered AC units.
- Our HVAC meets the requirements for NYS air purifications, and we will operate with open windows (weather permitting).

We will continue to monitor, follow, and comply with the NYC.gov regulations and update our policy as we navigate the pandemic. We'll always take precautions and actions to protect our **students, ensemble members, families, staff, and visitors**. We're grateful for your understanding and support at this time.
