- Please include all pertinent information about your child's medical needs in the Student Information Form.
- TADA! will **not** administer any kind of medication or inhaler with the exception of an Epi-Pen.

What can we expect for daily check-in and check-out?

- **Daily Check-In:** Check-in **begins 20 minutes before your class starts**. No one will be permitted in the building until **20 minutes** before your scheduled class start time. The doors to the rehearsal room will not open until class time. So all caregivers will need to remain in the lobby until the door to the rehearsal room opens. Please plan accordingly.
 - When you enter the 3rd floor, you will be greeted by a TADA! staff member who will do the following:
 - Greet students, and confirm name and any other information needed
 - Ask students to wash their hands/visit the restroom prior to entering the rehearsal room.
 - Caregivers are asked to accompany their student to the restroom before they drop their student off at the rehearsal room door. The door to the rehearsal room will open at class time.
 - At the rehearsal room door, students will be greeted by their Teaching Artists.
 - Caregivers are not permitted in the rehearsal room. We kindly ask that you say goodbye to your student at the door of the rehearsal room and leave the building.

- **Lobby - NEW!** In the past, we maintained a closed lobby during semester classes for reasons such as enhancing student engagement, limited seating, reducing noise, and enabling our staff to focus on additional tasks. However, this semester, the lobby will be open to caregivers **in need**. Please review the following community guidelines for the open lobby:
 - Our lobby space is limited, and unfortunately, not every family member can be accommodated. We recommend taking advantage of this time to enjoy some kid-free moments, perhaps treating yourself to a beverage or having a moment to relax. If you choose to stay in the lobby, please be aware that seating cannot be guaranteed.
 - Kindly be mindful that classes are in session, and it is crucial to maintain a quiet atmosphere in the lobby to avoid any distractions or disruptions to the ongoing class. We request that you keep the volume down and, if necessary, take phone calls in the stairwell. Additionally, if you are accompanied by other children, please make a concerted effort to minimize noise levels as much as possible. Your cooperation in creating a conducive learning environment is greatly appreciated.
 - To ensure the safety of individuals with severe airborne allergies, we **strictly prohibit food and drinks in the lobby**. Please plan accordingly and refrain from bringing any consumables into the designated area.
 - Regardless of whether you remain in the lobby or not, **everyone** is required to line up with their ID for check-out. Approximately 20 minutes before the end of each class, our Education Manager will make an announcement for families in the lobby to form a line in preparation for check-out.
- **Daily Check Out:** The check-out process will begin **20 minutes** before the end of class. Regardless of whether you remain in the lobby or not, everyone is required to line up with their ID for check-out.
 - When you enter the 3rd floor, you will be greeted by TADA! Staff who will do the following:
 - ID check - The adult's ID is checked **every time** your child is picked up. We understand that after a few classes, our staff may know you, however, we require that you show your ID every time for your child's safety.
 - Students will only be released to the adult on the approved for pick-up list included in their Student Information form. If you would like to add or change this list you will need to inform the education office in writing by emailing education@tadatheater.com
 - Once your student has been checked out, we kindly ask that you promptly leave our facility.
 - If the designated pick-up person is running late or will not be on time, please call the office immediately at (212) 252-1619 ext.4.

What is your COVID and VACCINATION policy?

As of March 7, 2022, please find the following updates to our COVID policy:

- TADA! no longer requires vaccination, temperature checks, or daily health questionnaires for students or caregivers who enter TADA! Masks are optional but encouraged. We still require that all students use the bathrooms and wash their hands before entering the rehearsal room for class.
- TADA! will be deep cleaned weekly and high touch areas will be disinfected daily and in-between uses. TADA! will supply air purifiers in every rehearsal room, in addition to functional windows.

What happens if a student or staff member experiences cold, flu-like, or COVID symptoms or tests positive for COVID-19?

Please do not come to TADA! if you have a fever or are ill. This would include but are not limited to: fever over 100, recurring vomiting, diarrhea, eye discharge, excessive cough and/or nasal discharge, etc.

- If a student or staff member experiences any cold, flu-like, or COVID symptoms while in class at TADA!, they will be immediately removed and sent home. We encourage you to assess whether or not your child needs to be COVID tested, and we ask that you communicate the results with us so we can proceed accordingly.
 - If a student or staff member tests positive they will not be permitted to return to class until they have completed their 5 day isolation per [CDC recommendations](#). We will determine the best course of action depending on the timing and number of positive cases, and will inform families as soon as we can.
-

What are the TADA! Expectations and Community Agreement? At TADA!, we expect respect, kindness, and honesty from our students and staff at all times.

- During the first day of class, Teaching Artist's will review the community agreement that will include expectations as well as other rules and guidelines that the class will adhere to. They will be monitoring students throughout class. If they see any inappropriate behavior or focusing issues, they will do one or all of the following: address them verbally, redirect, speak with them privately, and/or call home.
- You will be notified by the Teaching Artists or a member of the education staff after class or by phone or email if there is a behavioral incident or situation with your student. If we see any recurring patterns with behavior from class to class, we may inform the student and parent that they are not invited to participate for the remaining semester.

Will there be a Final Sharing?

- Your child's Final Sharing will be held at TADA! in our 3rd floor rehearsal room. You will receive an email the week prior to the Final Sharing with specific information.
- The Final Sharing will be recorded, and we will send you an unlisted private Youtube link to share with friends and family.
